HAZEL LAMBE, CLERK
THE CORPORATION OF THE TOWN OF BANCROFT

INTEGRATED ACCESSIBILITY STANDARDS
ACCESSIBILITY FOR ONTARIANS WITH DISABILITIES ACT, O. REG 191/11

POLICY STATEMENT and ORGANIZATIONAL COMMITMENT

The Corporation of the Town of Bancroft ("the Town") is committed to complying with the Accessibility for Ontarians with Disabilities Act, 2005 (AODA) and all of the standards under it in order to create a barrier-free Ontario. The Town is committed and guided by the four core principles of Dignity, Independence, Integration and Equal Opportunity and supports the full inclusion of persons as set out in the Canadian Charter of Rights and Freedoms, and the AODA.

This policy establishes the requirements in the areas of Employment, Information and Communication and Transportation for the Town, in accordance with the Integrated Accessibility Standard Regulation, Ontario Regulation 191/11 (IASR).

The requirements set out in this policy and the IASR are not a replacement or substitution for the requirements established under the Human Rights Code nor do the standards or policy limit any obligation owed to persons with disabilities under any other legislation.

The Town shall use every effort to ensure that we meet the needs of people with disabilities, in a timely manner, through the implementation of this policy.

SCOPE

This policy has been developed in accordance with the IASR and addresses how the Town will achieve accessibility. It provides the overall strategic direction that the Town will follow to provide accessibility supports to Ontarians with disabilities. The requirements of the Regulation include:

- Establishment, implementation, maintenance and documentation of a multi-year accessibility plan, which outlines the Town's strategy to prevent and remove barriers and meet its requirements under the Regulation;
- Incorporation of accessibility criteria and features when procuring or acquiring goods, services, or facilities;
- Training; and
• Other specific requirements under the Information and Communication, Employment and Transportation Standards.

GENERAL PROVISIONS

Multi-Year Accessibility Plan

The Town’s multi-year accessibility plan outlines a phased-in strategy to prevent and remove barriers and addresses the current and future requirements of the AODA (See: Town of Bancroft Multi-Year Accessibility Plan). The Town will report annually on the progress and implementation of the plan, post the information on the Town's website and will provide it in alternative formats upon request. The plan will be reviewed and updated at least once every five years.
Procuring or Acquiring Goods, Services or Facilities

The Town will have regard for accessibility criteria and features when procuring or acquiring goods, services or facilities, except where it is not practical to do so (in which case, if requested and explanation will be provided).

Self-Service Kiosk

The Town shall have regard to accessibility for persons with disabilities when designing, procuring or acquiring self-serve kiosks.

Training

The Town will ensure that training is provided to all individuals as outlined in the IASR on the requirements of the standards referred to in the IASR and in the Human Rights Code as it pertains to persons with disabilities. Training will be developed and implemented by January 1, 2014. Ongoing training will be provided to new employees as soon as practicable. If any changes are made to this policy or the requirements, training will be provided. The Town shall maintain a record of the dates when training is provided and the number of individuals to whom it was provided.

INFORMATION & COMMUNICATION STANDARD

The Town will create, provide and receive information and communications in ways that are accessible to people with disabilities.

If the Town determines that it is not technically feasible to convert the information or communications, or the technology to convert the information or communication is not readily available, that person who requires the information will be provided with:

- an explanation as to why the information or communications are not convertible; and
- a summary of the unconvertible information or communications.

Emergency Information

The Town will provide its emergency procedures, plans or public safety information which are made available to the public, in an accessible format or with appropriate communication supports, as soon as practicable, upon request.

Feedback

The Town will ensure a process is in place for receiving and responding to feedback and will ensure those processes are provided in accessible formats and with communication supports upon request. The Town will notify the public about the availability of accessibility formats and communications supports.
Accessible Formats and Communication Supports

The County shall provide or arrange for the provision of accessible formats and communication supports for persons with disabilities:

- Upon request, in a timely manner that takes into account the person’s accessibility needs due to a disability;
- At a cost that is no more than the regular cost charged to other persons;
- In consultation with the person making the request to determine the suitability of an accessible format or communication support.

The public shall be notified about the availability of accessible formats and communication supports.

Website Accessibility

The Town shall make any new web content on its internet website conform to the World Wide Web Consortium Web Content Accessibility Guidelines (WCAG) 2.0 Level A, by January 1, 2014. By January 1, 2021 all Internet websites and web content will conform with WCAG 2.0 Level AA.

EMPLOYMENT STANDARD

The Employment Standard builds upon the existing requirements under the Ontario Human Rights Code in relation to how to accommodate individuals with disabilities across all stages of the employment cycle and applies in respect to paid employees and does not apply to volunteers and other non-paid individuals however, as a best practice, the Town will make every effort to accommodate volunteers and other non-paid positions, upon request. The requirements of the Employment Standard shall be met by the Town by January 1, 2014 unless otherwise specified.

Recruitment and Retention:

The Town will:

- When posting an employment opportunity, notify internal and external job applicants about the availability of recruitment-related accommodations for applicants with disabilities to support their full participation in the recruitment process;
- Notify job applicants when they are individually selected to participate in an assessment or selection process, that accommodations are available upon request in relation to the materials or processes to be used;
- If a selected applicant requests an accommodation, consult with the applicant and provide or arrange for the provision of a suitable accommodation that takes into account the applicant’s accessibility needs;
- When making offers of employment, notify successful applicants of our policies for accommodating employees with disabilities.
Employee Notification:

The Town will inform all new and existing employees of our policies for supporting employees with disabilities, including but not limited to, policies on the provision of job accommodations that take into account an employee’s accessibility needs due to a disability:

- As required, to new employees, as soon as practicable after they begin their employment;
- Whenever there is a change to existing policies on the provision of job accommodations that take into account an employee’s accessibility needs due to a disability.

Accessible Formats:

When an employee with a disability requests it, the Town will consult with the employee to provide or arrange for the provision of accessible formats and communication supports:

- For information that is needed in order to perform the employee’s job;
- For information that is generally available to employees in the workplace; and
- In consultation with the employee making the request, determine the suitability of an accessible format or communication support.

If the employee has an individual accommodation plan, then the accessible formats and/or communication supports that will be provided to the employee should be included in the plan.

Individual Accommodation Plan (IAP):

The Town will have in place a written process for the development of a documented individual accommodation plan for employees with a disability. The process will include:

- The employee’s participation in the development of the IAP;
- Assessment on an individual basis;
- Identification of accommodations to be provided;
- Timelines for the provision of accommodations;
- Upon request of the Town, an evaluation by outside medical or another expert, at the Town’s expense, to assist with determining accommodation needs and how to best achieve accommodation;
- Union representative for the employee, upon request or another colleague, as appropriate;
- Steps taken to protect the privacy of the employee’s personal information;
- Frequency with which the IAP will be reviewed and updated and the manner in which it will be done;
- If denied, the reasons for denial are to be provided to the employee;
- A format that takes into account the employee’s disability needs;
- If requested, any information regarding accessible formats and communication supports provided;
Identification of any other accommodation that is to be provided.

Return to Work:

The Town will have a return to work process in place for employees who have been absent from work due to a disability and require disability-related accommodations in order to return to work. Such processes will be documented and will outline the steps that the Town will take to facilitate the return to work and include an individual accommodation plan.

Performance Management, Career Development and Advancement, and Redeployment:

The Town will take into account the accessibility needs and/or individual accommodation plans of employees when:

1. Using performance management processes;
2. Providing career development and advancement information;
3. Using redeployment procedures.

Workplace Emergency Response Information:

The Town will provide individualized workplace emergency response information to employees who have a disability:

- If the disability is such that the individualized information is necessary and the employer is aware of the need for accommodation due to the employee's disability;
- With the employee's consent, to the person designated by the Town and the employee to provide assistance to the employee, if required;
- As soon as practicable after becoming aware of the need for accommodation due to the employee's disability;
- And will review the individualized workplace emergency response information when the employee moves to a different location in the organization, when overall accommodations needs or plans are reviewed and when the employer reviews its general emergency response policies.

TRANSPORTATION

The Transportation Standard will make it easier for people to travel on specialized and public transit and in taxicabs in Ontario, including persons with disabilities, older Ontarians and families traveling with children in strollers.

TAXICABS

The Town regulates and controls by-law the licensing of taxicabs and therefore transportation standard requirements apply to the Town as it applies to taxicabs.
The Town shall ensure that the regulations of the AODA are complied with for the licencing and operations of taxicabs, taxicab owners and operators within the Town. Contravention of the AODA is cause for immediate withdrawal and revocation of all taxicab licences including licences issued to owners and operators and shall be acted upon immediately without question or appeal.

Fees and Fares

The Town shall ensure that owners and operators of taxicabs, licenced by the Town, are prohibited from,

- Charging a higher fare or an additional fee for persons with disabilities than for persons without disabilities for the same trip;
- Charging a fee for the storage of mobility aids or mobility assistive devices.

Information on Bumpers

The Town shall ensure that owners and operators of licenced taxicabs,

- place vehicle registration and identification information on the rear bumper of all taxicabs and must meet the requirements of Section 68(3) of the AODA regulation.

Information for Passengers

The Town shall ensure that owners and operators of licenced taxicabs,

- make available vehicle registration and identification information in an accessible format to persons with disabilities who are passengers;
- taxicab information shall be provided in a business card format with the information in large print or braille.
